**Location** The City Club, 555 13th St, NW (Downstairs)

9:00 am Welcome and Introductions: Randall Luthi  
9:05 am Remarks by Deputy Wheeler  
9:25 am Questions, discussion  
9:45 am Deputy Wheeler departs

Some addition, details, we recently had the honor of having Administrator Pruitt speak at our Annual Meeting here in DC. Considering Andrew's recent confirmation, and the interaction between EPA and the offshore energy industry, NOIA wanted to invite Andrew to speak at our Legislative Strategy Group (LSG) meeting on Friday May 11th at 9am. This is a great opportunity for you to share your thoughts and introduce yourself in your new role to the offshore oil and gas industry folks here in town. Attendees to our breakfasts include fellow trades (API, IPAA, USOGA, IADC, etc...as well as NAM, Chamber, ACC, CEA) and NOIA member companies (majors, independents, drillers, and service companies). We keep it very informal and conversational, and strictly off-the-record. Additional, details are below.

National Ocean Industries Association - Legislative Strategy Group  
When: Friday May 11th, 9-10am  
Where: The City Club, 555 13th St, NW (Downstairs)  
Who: D.C. Government Affairs Offices of NOIA member companies and fellow trade associations  
What: Discussion on various offshore oil, natural gas, and wind issues  
Past Guests: DOI Assistant Secretary Joe Balash, Chairman Bishop, Rep. Bill Flores, Kate MacGregor (both at HNR and DAS), BSEE Director Scott Angelle, Senate Leader Staff Neil Chaterjee, HNR COS Cody Stewart, Kiel Weaver (Speaker Ryan Staff), Brandon Consolvo (Leader McCarthy Staff) ..... you get the drift!

NOIA sponsors what is known as a Legislative Strategy Group (LSG) consisting of the Government Affairs representatives of our member companies, who are located in town. We meet about every other month and provide a forum for an informal off the record discussion about various issues. (There really isn't any legislative strategy discussed, except on rare occasions)

The next one is scheduled for Friday May 11th at the City Club (on F street between 12 and 13th). There is a light continental breakfast available). It begins at 9:00 am and ends whenever the speaker requests, but usually no later than 9:45. The format has been allowing about 20 minutes for presentation and then time for questions.

Past speakers come from the Hill and various administrative agencies. You would be excellent to give an update and "where we are going" from EPA. I've had you on the list to ask, but thought it might be too soon. Unfortunately our planned speaker from Energy just informed us that he is unable to attend this time. So, if it should remarkably fit into your schedule, you would be great.

Thank you for your consideration.

Subject: Appointment with Frank Love

Andy,

Good afternoon.

Frank Love, CEO of Love's Travel Stops headquartered in Oklahoma City with more than 450 truck stops nationally, will be in Washington Tuesday, May 15th participating in a national conference of truck stop and travel plaza owners. I'd like to schedule an appointment in the morning or early afternoon of May 15th for him to meet you, if you can make it work.

Why he wants to meet is to share with you Love's fueling program intended to provide carriers with affordable, reliable fueling options regardless of which location they choose. Overwhelmingly this means diesel- totaling more than 4.5 billion gallons annually. But it also includes considerable investment in biodiesel, and renewable natural gas covered by the Renewable Fuel Standard. We'd like to explain some of the economic and business decisions made within that context then answer any questions or address any concerns you may have.

Thank you for taking a look at this request.  
Congratulations on your confirmation. It is well deserved.

Attached is the request to meet with 20-25 CEOs in the electronics industry space. Originally request was for Administrator Pruitt.

Meeting Request Form for Administrator Scott Pruitt

Today's Date:

March 23, 2018

Meeting Date:

May 21 - 23, 2018

Meeting Time:

Flexible here

Requested Location (if offsite, please list address, parking instructions, etc.):

Ronald Reagan Building Ocean Suite room. The Ronald Reagan Building is next to EPA, but we are flexible and can come to EPA if need be. We will be getting directions from the Ronald Reagan Building staff on how to get to the Ocean Suite room that we can provide to EPA.

Requestor:

John Mitchell, President & CEO, IPC on behalf of IPC.

Purpose of the Meeting:

Provide the opportunity for our member company senior executives, who will attend our annual set of meetings in Washington called

IMPACT Washington, D.C., to hear about EPA's priorities from the Administrator and offer the opportunity for our members at the meeting to ask questions.

#### Background on the Meeting:

IPC supports the EPA's efforts to streamline environmental regulations as it pertains to the electronics industry. We have met with Kristinn Sharpe from the EPA Smart Sectors program a few times, and in February she attended IPC's trade show and conference called APEX and met with some of our members at the event. We appreciate the Smart Sectors efforts to reach out to the industry and we would like to continue the dialogue and our efforts of working together with EPA.

#### Role of the Administrator:

We are flexible on this, but we would like the Administrator to come meet with our senior executives, who will attend the meeting, and offer the Administrator the opportunity to make remarks on EPA's priorities for about 10-15 minutes and then open it up to questions. We met with the Administrator during IMPACT Washington, D.C. last year, and we would like to continue the dialogue with him.

#### Attendees:

At this time, we do not have a full roster of attendees as our members are currently registering for IMPACT Washington, D.C. However, we expect at least 25-30 (possibly more) CEO's, other c-level executives and VPs. We can provide an attendee list for the Administrator when we get closer to the event and have a critical mass registered, as well as provide a final attendee list a week to 2-weeks prior to the meeting.

#### Point of Contact:

Administrator Wheeler & Tamika-

I hope you are both doing well and congratulations on your new appointment! I was hoping to give you both a little more time to settle in before asking for a meeting, however, considering all that's been going on the last couple of weeks around the RFS, I wanted to touch base.

We represent POET and have been heavily engaged with the discussions at the WH, VP's office and USDA regarding the current negotiations on the year round E-15 and RIN credits for ethanol export deal. Jeff Broin, CEO of POET, had met with Administrator Pruitt in early 2017; however, we have not recently been in.

I was asked to request a meeting on behalf of POET, ADM and Green

Plains, Inc. as we know the final conversations are still ongoing. We would love to come in and provide you with an update on where we all are and our conversations across the administration. Would your schedule have any availability in the next couple of days or next week? We will make any time work at your convenience.

Thanks in advance for your help with this request and please don't hesitate to let me know if you have any questions.

Hi Andrew,

Congrats again on your confirmation and swearing in. I'm very excited for you.

That being said, I know you are just digging out and getting caught up since you've been there a whole two days, but I was wondering if you might have some time next week for me and my boss, Ann Wilson, to come over and talk to you about CAFE. Just us, no members right now.

Thanks,

Catherine

Subject: [SPAM-Sender] Meeting request

Mr. Molina,

The Government of Puerto Rico, through its Solid Waste Authority, hereby requests a meeting with you and Mr. Wheeler for next week, any time except Tuesday or Wednesday 9:00am to noon. We would like to discuss our plans to regionalize solid waste collection and disposition through the creation of districts in PR, managing fly ash arising out of coal burning, and PR's first biodigester / compost program.

I can be reached at (b) (6) to discuss this meeting request. In attendance would be myself and Frederick Pfaeffle and, over the phone, Executive Director Antonio Rios.

Sincerely,

Carly and Tamika,

During Andrew's visit, R3 noted the need for flexibility in sending communication. After huddling with Nancy, we wanted to brief the Deputy on OPA's review process for external messages. I think 30 minutes should do it, and I'll need a call in # (or you can call me directly). Would you please find some time for this, preferably before his R2 visit?

Thank you,

Glad to hear Andrew can do the NCFC event! Attached is the original request form and invite they sent for the OA, does this suffice (sorry if it didn't make it through the email forwards)? The org POCs who can help clarify and finalize details on the speaking slot are:

They are flexible on date for 26th and/or surrogate. If not familiar, NCFC represents a very broad spectrum of ag ([www.ncfc.org/about-ncfc/](http://www.ncfc.org/about-ncfc/) <<http://www.ncfc.org/about-ncfc/>> ). I've spoken at their events before, and they're loaded with execs from everything from sugar to nuts to fruit to cotton to banks to largest dairy co-ops, etc. Attached are their request and invitation.

Thank you!

Hi Hema,

If they had other dates available (such as the 28th), we could look at those, but as of now, he is on travel June 27th. They can send along in case that changes.

Thanks!

Hello Hayley and Kelly, the National Council of Farmer Cooperatives are sending an invite for the Administrator to do a keynote in DC at 10:30 on June 27th. I'm working with them to get you the request form. Just wanted to check if this timing would even be a possibility on the Administrator's schedule?

Thank you,

 Subject: Meeting Request -- Fuels America -- June 21 or June 26  
 Mr. Wheeler:

I am writing to request a meeting for the Fuels America coalition at a time convenient for you on either Thursday, June 21 or Tuesday, June 26.

Executives from the companies would like to discuss the timing/importance of the 2019 renewable volume obligations and their unified support for a strong renewable fuel standard.

The list below shows the particular members of Fuels America who have already confirmed their intention to attend. We expect to know who will participate from Monsanto and BIO soon.

I recognize the many competing demands on your time and energy and appreciate your willingness to visit with the Fuels America team on these important issues.

Thanks very much for considering the request. If you need additional information, please call me at (b) (6) at your convenience.

Cheers,  
ksa

On behalf of our client Darling Ingredients, Inc., I am writing to request a meeting with Mr. Wheeler to discuss the biomass-based diesel requirements under the Renewable Fuel Standard.

As you may know, Darling is the world's largest rendering and recycling company with about 5,000 employees in the U.S. alone, spread across approximately 130 locations in 40 different states. Headquartered in Texas, Darling has assets in Canada and on five continents.

We think 2018 is a crucial year for this issue. Mike Rath, Darling's Sr. Vice President and board member of the National Biodiesel Board, will

be in town on June 26-27. Any chance Mr. Wheeler's schedule might be able to accommodate a 30 minute meeting with Mr. Rath and my colleague Andy Ehrlich?

Thank you kindly for your consideration and I look forward to hearing from you.

Tamika - that time works for ORD. Our invitees are Bruce Rodan, Andy Miller, and Samantha Linkins (I'll just be listening in). Bruce and Andy won't be in DC, so if it's possible to do both a video and a phone line, that would be great.

Thanks,

Hi Tamika,

Troy Lyons (AA – OCIR) and DA Wheeler spoke about scheduling a “Hill Day” event where the DA would be able to go to the hill and speak to a number of different members/offices. I was wondering if you could give me some potential dates and times where we might be able to hold 3 or so hours on the DA’s calendar for meetings and travel to and from the Hill?

**Location** WJC-N 4346  
**Show Time As** Busy

Good morning Carly/Tamika,

My next OCFO All-Hands meeting is currently scheduled for June 28 from 2:00-3:30. It's an extra half hour this time because we're coupling it with a diversity day event. We hold All-Hands on a quarterly basis, and I would love to have Deputy Administrator Wheeler make some opening remarks to our office. Our current plan is to start with the diversity day portion and transition to the all-hands at around 2:45.

Ideally, we'd have Deputy Administrator Wheeler speak at the beginning of the all-hands meeting, so 2:45-3:00 would be perfect. However, we can adjust our plans to accommodate his availability any time during the hour and a half. He would join us in WJCN 4336 for approximately 15 minutes.

Would he have capacity to accommodate this request?

Subject: Schedule Request - Wheeler briefing on ORD/IRIS

Hi Tamika,

Jennifer Orme-Zavaleta and Richard Yamada met with Andrew last night and he asked that they schedule a briefing for him on the ORD IRIS program. We would need an hour on the calendar.

Could I work with you to schedule this meeting in the next several weeks?

Happy to chat on the phone to talk through calendars.

Thanks!

Kevin
